A Message from Chairman, President and Chief Executive Officer Dave Nord

I am writing to share that earlier this morning, we announced a plan to reclassify Hubbell's two classes of common stock into a single class structure. We also announced that our Board of Directors has authorized the repurchase of an additional \$250 million of common stock, which brings our overall available share repurchase authorization to approximately \$400 million.

Our Board believes that the proposed reclassification is an important step for Hubbell and is confident that it is in the best interests of Hubbell and our shareholders. We expect the proposed reclassification will better align voting rights with the economic interests of our shareholders and maximize the efficiencies of a single-class share structure. In addition, our simplified capital structure will provide a solid foundation as we continue to execute our One Hubbell strategy, operate with discipline, and pursue strategic growth initiatives to drive shareholder value for many years to come.

Importantly, today's announcement will have no impact on your day-to-day operations and it remains business as usual at Hubbell.

If you are interested in learning more about today's announcement, you can access additional materials on Hubbell's website, [Here](#). All media inquiries regarding this announcement should be addressed to:
