Item 1.01. Entry into a Material Definitive Agreement.

On August 3, 2017, Hubbell Incorporated (the “Company”) completed a public offering of \$300 million aggregate principal amount of its 3.150% Senior Notes due 2027 (the “New Notes”). The offering of the New Notes was made pursuant to the prospectus supplement dated July 31, 2017 and filed with the U.S. Securities and Exchange Commission (the “SEC”) on August 1, 2017 (the “Prospectus Supplement”) and the prospectus dated February 16, 2016 that forms a part of the Company’s shelf registration statement on Form S-3 (Registration No. 333-209532) filed with the SEC on February 16, 2016.

The New Notes were sold pursuant to an underwriting agreement, dated July 31, 2017, between the Company and J.P. Morgan Securities LLC and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several underwriters listed in Schedule I thereto. The New Notes were issued under the Indenture, dated as of September 15, 1995 (the “Base Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A. (successor as trustee to JPMorgan Chase Bank, N.A. (formerly known as JPMorgan Chase Bank, formerly known as The Chase Manhattan Bank, formerly known as Chemical Bank))), as trustee (the “Trustee”), as supplemented by the Fourth Supplemental Indenture, dated as of August 3, 2017 (the “Fourth Supplemental Indenture,” and the Base Indenture as heretofore supplemented and as supplemented by the Fourth Supplemental Indenture, the “New Notes Indenture”), between the Company and the Trustee.

The net proceeds from the offering were approximately \$294.6 million after deducting the underwriting discount and estimated offering expenses payable by the Company. The Company expects to use the net proceeds from the offering of the New Notes to effect the Redemption (as defined below). The Company intends to use any remaining net proceeds from the offering for general corporate purposes.

The New Notes will bear interest at a rate of 3.150% per annum from August 3, 2017. Interest on the New Notes will be payable semi-annually in arrears on February 15 and August 15 of each year, beginning on February 15, 2018. The New Notes will mature on August 15, 2027.

The Company may redeem all or part of the New Notes at any time prior to maturity at the redemption prices set forth in the New Notes Indenture.

In the event of a change in control triggering event (as defined in the Fourth Supplemental Indenture), the holders of the New Notes may require the Company to purchase for cash all or a portion of their New Notes at a purchase price equal to 101% of the principal amount of the New Notes, plus accrued and unpaid interest, if any, on the notes repurchased to, but excluding, the repurchase date.

The New Notes will be the Company’s unsecured, unsubordinated obligations, ranking equally in right of payment with the Company’s other existing and future unsecured, unsubordinated indebtedness from time to time outstanding (including, without limitation, indebtedness under the Company’s revolving credit facility, its 3.625% Senior Notes due 2022 and its 3.350% Senior Notes due 2026), and effectively subordinated in right of payment to all of the Company’s current and future secured indebtedness to the extent of the value of the assets securing such indebtedness. The New Notes will be exclusively obligations of the Company and will not be guaranteed by any of its subsidiaries. As a result, the New Notes will be structurally subordinated to existing or future preferred stock, indebtedness, guarantees and other liabilities, including trade payables, of such subsidiaries.

The New Notes Indenture also contains customary covenant and event of default provisions.

Please refer to the Prospectus Supplement for additional information regarding the offering and the terms and conditions of the New Notes. The foregoing summary of the New Notes does not purport to be complete and is qualified in its entirety by reference to the full text of the Base Indenture, the Fourth Supplemental Indenture and the form of the New Notes, which are attached to this Current Report on Form 8-K as Exhibits 4.1, 4.2 and 4.3, respectively, and are incorporated into this Item 1.01 by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation Under an Off-balance Sheet Arrangement of the Registrant.

The information set forth in Item 1.01 of this Current Report on Form 8-K pertaining to the New Notes is incorporated into this Item 2.03 by reference.

Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement.

On August 3, 2017, a notice of redemption was given to holders of the Company's 5.95% Senior Notes due 2018 (the "Existing Notes"), issued by the Company under the Base Indenture, as supplemented by the First Supplemental Indenture, dated as of June 2, 2008 (the "First Supplemental Indenture," and the Base Indenture as heretofore supplemented and as supplemented by the First Supplemental Indenture, the "Existing Notes Indenture"), between the Company and the Trustee, which Existing Notes have a stated maturity date of June 1, 2018.

As a result, on September 2, 2017 (the "Redemption Date"), all of the \$300,000,000 outstanding aggregate principal amount of the Existing Notes will be redeemed (the "Redemption"). The redemption price with respect to the Existing Notes will be equal to the greater of: (i) 100% of the principal amount of the Existing Notes; and (ii) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the treasury rate (as defined in the Existing Notes Indenture), plus 30 basis points, plus accrued interest thereon to the Redemption Date.

Except as set forth in the Base Indenture (as modified by this Fourth Supplemental Indenture), the Global Note may be transferred, in whole and not in part, only to another nominee of DTC or to a successor of DTC or its nominee. The Company will make principal and interest payments on the Notes represented by the Global Note to the Paying Agent which in turn will make payment to DTC or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Notes represented by the Global Note for all purposes under the Indenture. So long as DTC or its nominee is the registered owner of a Global Note, DTC or its nominee, as the case may be, will be considered the sole owner and Holder of the Notes represented by that Global Note for all purposes of the Notes.

Section 2.8 **Form of the Notes.** The form of the Notes and the Trustee's Certificate of Authentication to be endorsed thereon shall be substantially in the form attached as Exhibit A hereto, with such changes therein as the officers of the Company executing the Notes (by manual or facsimile signature) may approve, such approval to be conclusively evidenced by their execution thereof.

Section 2.9 **No Sinking Fund.** The Notes will not have the benefit of any sinking fund.

ARTICLE 3 REDEMPTION OF THE NOTES

Section 3.1 **Optional Redemption by Company.**

The Notes will be redeemable in whole or in part, at the Company's option, in the manner and on the terms set forth in the Notes.

Section 3.2 **Change of Control Triggering Event.**

If a Change of Control Triggering Event occurs, unless the Company has exercised its option to redeem the Notes as described in Section 3.1 hereof or has defeased the Notes in accordance with Article Fifteen of the Base Indenture (as modified by this Fourth Supplemental Indenture), the Company shall be required to make an offer to each Holder of the Notes to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder's Notes in the manner and on the terms set forth in the Notes.

ARTICLE 4 COVENANTS

Section 4.1 **Consolidation, Merger, Sale or Conveyance.** The following provisions shall apply with respect to the Notes (notwithstanding Sections 10.01 and 10.02 of the Base Indenture, which with respect to the Notes shall be deemed amended and restated, and superseded, in their entirety by the following (it being understood that the second full paragraph of Section 10.01 of the Base Indenture shall not apply to the Notes)):

“Section 10.01. Company May Consolidate, etc., Only on Certain Terms. The Company will not consolidate with or merge into any other Corporation or sell or convey its properties and assets substantially as an entirety to any Corporation, unless:

(a) the Corporation formed by such consolidation or into which the Company is merged or the Corporation which acquires by sale or conveyance the properties and assets of the Company substantially as an entirety (the “Successor Corporation”) is a Corporation organized and existing under the laws of the United States, any State thereof or the District of Columbia and will expressly assume, by a supplemental indenture, executed and delivered to the Trustee, in form reasonably satisfactory to the Trustee, the due and punctual payment of the principal of (and premium, if any) and interest on the Notes, and the performance of every covenant of the Indenture on the part of the Company to be performed or observed;

(b) immediately after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time, or both, would become an Event of Default, will have occurred and be continuing; and

(c) the Company or Successor Corporation has delivered to the Trustee an Officers’ Certificate and an Opinion of Counsel each stating that such consolidation, merger, sale or conveyance and such supplemental indenture comply with this Article Ten (as modified by the Fourth Supplemental Indenture) and that all conditions precedent provided for in the Indenture relating to such transaction have been complied with.

Section 10.02. Successor Corporation Substituted. Upon any consolidation with or merger into any other Corporation, or any sale or conveyance of the properties and assets of the Company substantially as an entirety in accordance with Section 10.01 (as modified by the Fourth Supplemental Indenture), the Successor Corporation formed by such consolidation or into which the Company is merged or to which such sale or conveyance is made will succeed to, and be substituted for, and may exercise every right and power of, the Company under the Indenture with the same effect as if such Successor Corporation had been named as the Company in the Indenture, and thereafter the Company (which term shall for this purpose mean Hubbell Incorporated or any Successor Corporation which shall theretofore have succeeded thereto, and been substituted therefor, in the manner described in this Section 10.02 (as modified by the Fourth Supplemental Indenture)) will be relieved of all obligations and covenants under the Indenture and the Notes.

Notwithstanding the foregoing, any consolidation, merger, sale or conveyance between or among the Company and its Subsidiaries shall neither be subject to this Article Ten (as modified by the Fourth Supplemental Indenture) nor prohibited under the Indenture.”

Section 4.2 ***Limitation on Liens***. The following provisions shall apply with respect to the Notes (notwithstanding Section 12.07 of the Base Indenture, which with respect to the Notes shall be deemed amended and restated, and superseded, in its entirety by the following):

“Section 12.07. Limitation on Liens. The Company will not create or assume, and will not permit a Restricted Subsidiary to create or assume, otherwise than in favor of the Company or a Subsidiary, any indebtedness for borrowed money (“Debt”) secured by a Mortgage upon any Principal Property or upon any shares of capital stock or Debt issued by any Subsidiary and owned by the Company or any Restricted Subsidiary, whether now owned or hereafter acquired, without making effective provision whereby the Notes will be secured equally and ratably with, or at the Company’s option, senior to, such Debt, so long as such Debt is so secured; *provided*, that the foregoing covenant will not be applicable to Debt secured by the following, and the Debt so secured will be excluded from any computation under the next succeeding paragraph below:

(a) Mortgages on property of the Company or a Restricted Subsidiary existing on the date of the Fourth Supplemental Indenture;

(b) Mortgages on property of a Corporation or other entity existing at the time such Corporation or other entity is merged into or consolidated with the Company or a Restricted Subsidiary or at the time of a sale, lease or other disposition of the properties of such Corporation or other entity (or a division of such Corporation or other entity) as an entirety or substantially as an entirety to the Company or a Restricted Subsidiary; provided that any such Mortgage does not extend to any property owned by the Company or any Restricted Subsidiary immediately prior to such merger, consolidation, sale, lease or disposition;

(c) Mortgages to secure or provide for the payment of any part of the cost of acquisition, construction, development or purchase or improvement of any such property now owned or hereafter acquired or constructed by the Company or a Restricted Subsidiary, or on which property so acquired, constructed, developed, purchased or improved is located, and created prior to, contemporaneously with or within 270 days after the later of, such improvement, acquisition, construction, development or purchase or the commencement of commercial operation of such property;

(d) Mortgages on any such property existing at the time of acquisition thereof, whether or not assumed by the Company or such Restricted Subsidiary;

(e) Mortgages on any such property of a Person at the time such Person becomes a Restricted Subsidiary;

(f) Mortgages created for the sole purpose of extending, renewing or refunding any Mortgage permitted by any of clauses (a)-(e) of this Section 12.07 (as modified by the Fourth Supplemental Indenture); *provided*, that the principal amount of Debt secured thereby will not exceed the principal amount of Debt so secured at the time of such extension, renewal or refunding (plus any premium or fee payable in connection therewith) and that such extension, renewal or refunding Mortgage will be limited to all or any part of the same property (plus improvements on such property, and plus any other property not then constituting Principal Property) that secured the Mortgage extended, renewed or refunded, or to other property of the Company or its Restricted Subsidiaries not subject to the limitations of this Section 12.07 (as modified by the Fourth Supplemental Indenture);

(g) Mortgages for taxes or assessments or governmental charges or levies not then due and delinquent or the validity of which is being contested in good faith, and against which an adequate reserve has been established; Mortgages on any such property created in connection with pledges or deposits to secure public or statutory obligations or to secure performance in connection with bids or contracts; materialmen's, mechanic's, carrier's, workmen's, repairmen's or other like Mortgages, or Mortgages on any such property created in connection with deposits to obtain the release of such Mortgages; Mortgages on any such property created in connection with deposits to secure surety, stay, appeal or customs bonds; Mortgages created by or resulting from any litigation or legal proceeding which is being contested in good faith by appropriate proceedings; leases and liens, rights of reverter and other possessory rights of the lessor thereunder; zoning restrictions, easements, rights-of-way or other restrictions on the use of real property or minor irregularities in the title thereto; and any other Mortgages similar to those described in this clause (g), the existence of which does not, in the opinion of the Company, materially impair the use by the Company or a Restricted Subsidiary of the affected property in the operation of the business of the Company or a Restricted Subsidiary, or the value of such property for the purposes of such business;

(h) Mortgages on any contracts for production, research or development with or for the Government, directly or indirectly, providing for advance, partial or progress payments on such contracts and for a Mortgage, paramount to all other Mortgages, upon money advanced or paid pursuant to such contracts, or upon any material or supplies in connection with the performance of such contracts to secure such payments to the Government; and Mortgages or other evidences of interest in favor of the Government, paramount to all other Mortgages, on any equipment, tools, machinery, land or buildings hereafter constructed, installed or purchased by the Company or a Restricted Subsidiary primarily for the purpose of manufacturing or producing any product or performing any development work, directly or indirectly, for the Government to secure indebtedness incurred and owing to the Government for the construction, installation or purchase of such equipment, tools, machinery, land or buildings; and

(i) Mortgages created after the date of the Fourth Supplemental Indenture on any property leased to or purchased by the Company or a Restricted Subsidiary after such date and securing, directly or indirectly, obligations issued by a state, a territory or a possession of the United States, or any instrumentality or political subdivision of any of the foregoing, or the District of Columbia, to finance the cost of acquisition or cost of construction of such property, *provided*, that the interest paid on such obligations is entitled to be excluded from gross income of the recipient pursuant to Section 103(a) of the Internal Revenue Code of 1986, as amended (or any successor or similar provision), as in effect at the time of the issuance of such obligations.

Notwithstanding the restrictions described above, the Company and its Restricted Subsidiaries may create or assume Debt secured by Mortgages without equally and ratably securing the Notes if, at the time of such creation or assumption, after giving effect thereto and to the retirement of any Debt which is concurrently being retired, the aggregate amount of all such Debt secured by Mortgages (other than any Debt secured in compliance with the first paragraph of this Section 12.07 (as modified by the Fourth Supplemental Indenture) (including any Debt secured by Mortgages permitted as described in clauses (a) through (i) thereof)) that would otherwise be subject to these restrictions, together with all Attributable Debt with respect to Sale and Leaseback Transactions (permitted under clause (c) of, but not otherwise permitted by, Section 12.08 (as modified by the Fourth Supplemental Indenture)) does not exceed 15% of the Company's Consolidated Net Tangible Assets."

Section 4.3 ***Limitation on Sale and Leaseback Transactions***. The following provisions shall apply with respect to the Notes (notwithstanding Section 12.08 of the Base Indenture, which with respect to the Notes shall be deemed amended and restated, and superseded, in its entirety by the following):

“Section 12.08. Limitation on Sale and Leaseback Transactions. The Company will not, and will not permit a Restricted Subsidiary to, enter into any Sale and Leaseback Transaction with respect to any Principal Property owned by the Company or such Restricted Subsidiary on the date of the Fourth Supplemental Indenture, unless:

(a) the Sale and Leaseback Transaction involves a lease for a term of not more than three years,

(b) the Sale and Leaseback Transaction is between the Company or such Restricted Subsidiary and the Company or a Subsidiary,

(c) the Company or such Restricted Subsidiary would be entitled, at the effective date of the sale or transfer, to incur Debt secured by a Mortgage on such Principal Property involved in such Sale and Leaseback Transaction at least equal in amount to the Attributable Debt with respect to such Sale and Leaseback Transaction without equally and ratably securing the Notes pursuant to the second paragraph of Section 12.07 (as modified by the Fourth Supplemental Indenture), or

(d) the terms of such Sale and Leaseback Transaction are fair and arm’s-length (as determined in good faith by the Company’s Board of Directors) and the Company or any Restricted Subsidiary applies an amount equal to the greater of (i) the net proceeds of such sale or transfer or (ii) the Attributable Debt with respect to such Sale and Leaseback Transaction within 180 days after the receipt of the proceeds of such sale or transfer to either (or a combination) of (A) the prepayment or retirement (other than the mandatory retirement, mandatory prepayment or sinking fund payment or by payment at maturity) of Funded Debt of the Company or a Restricted Subsidiary (other than Funded Debt that is subordinated to the Notes) or (B) the purchase, construction or development of other comparable property.”

Section 4.4 ***Corporate Existence***. The following provisions shall apply with respect to the Notes (notwithstanding Section 12.05 of the Base Indenture, which with respect to the Notes shall be deemed amended and restated, and superseded, in its entirety by the following):

“Section 12.05. Corporate Existence. Subject to Article Ten (as modified by the Fourth Supplemental Indenture), the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises; *provided, however*, that the Company shall not be required to preserve any such right or franchise if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company.”

ARTICLE 5
EVENTS OF DEFAULT

Section 5.1 ***Events of Default***. The following “Events of Default” shall apply with respect to the Notes (notwithstanding Section 5.01 of the Base Indenture, which with respect to the Notes shall be deemed amended and restated, and superseded, in its entirety by the following):

“Section 5.01. Events of Default.

“Event of Default” means, with respect to the Notes, any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law, pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any interest upon the Notes when it becomes due and payable, and continuance of such default for a period of 30 days;

(3) [Reserved];

(4) default in the performance, or breach, of any covenant or warranty of the Company in the Indenture (other than any covenant or warranty a default in whose performance or whose breach is dealt with elsewhere in this Section 5.01 (as modified by the Fourth Supplemental Indenture) or any covenant or warranty which has been included in the Indenture solely for the benefit of Debt Securities of series other than the Notes), and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Notes, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” under the Indenture;

(5) the entry of a decree or order for relief in respect of the Company by a court having jurisdiction in the premises in an involuntary case under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, or a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State law, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order unstayed and in effect for a period of 60 consecutive days;

(6) the commencement by the Company of a voluntary case under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, or the consent by it to the entry of an order for relief in an involuntary case under any such law or to the appointment of a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of its creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(7) [Reserved].”

ARTICLE 6 DEFEASANCE

Section 6.1 ***Defeasance Upon Deposit of Moneys or U.S. Government Obligations.*** The following provisions shall apply with respect to the Notes (notwithstanding Section 15.02 of the Base Indenture, which with respect to the Notes shall be deemed amended and restated, and superseded, in its entirety by the following):

“Section 15.02. Defeasance Upon Deposit of Moneys or U.S. Government Obligations.

At the Company’s option, either (a) the Company shall be deemed to have been Discharged from its obligations with respect to the Notes (“legal defeasance option”) or (b) the Company shall cease to be under any obligation to comply with any term, provision or condition set forth in Article Ten, Section 12.05, Section 12.07 and Section 12.08 (in each case, as modified by the Fourth Supplemental Indenture) and Section 3.2 of the Fourth Supplemental Indenture with respect to the Notes (“covenant defeasance option”) at any time after the applicable conditions set forth below have been satisfied:

(1) the Company shall have deposited or caused to be deposited irrevocably with the Trustee as trust funds in trust dedicated solely to, the benefit of the Holders of the Notes (i) money in an amount, or (ii) U.S. Government Obligations which through the payment of interest and principal in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (iii) a combination of (i) and (ii), sufficient, in the opinion (with respect to (ii) and (iii)) of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge each installment of principal (including any mandatory sinking fund payments) of and premium, if any, and interest on, the Outstanding Notes on the dates such installments of interest or principal and premium are due;

(2) such deposit shall not cause the Trustee with respect to the Notes to have a conflicting interest for purposes of the Trust Indenture Act with respect to the Notes;

(3) such defeasance will not cause the trust resulting from such deposit to constitute, unless it is qualified as, a regulated investment company under the Investment Company Act of 1940, as amended;

(4) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent to the defeasance and discharge of the Notes as contemplated by this Article Fifteen (as modified by the Fourth Supplemental Indenture) have been complied with;

(5) such deposit will not result in a breach or violation of, or constitute a default under, the Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

(6) no Event of Default or event (including such deposit) which, with notice or lapse of time or both, would become an Event of Default with respect to the Notes shall have occurred and be continuing on the date of such deposit and, with respect to the legal defeasance option only, no Event of Default under Section 5.01(5) or Section 5.01(6) (in each case, as modified by the Fourth Supplemental Indenture) or event which with the giving of notice or lapse of time, or both, would become an Event of Default under Section 5.01(5) or Section 5.01(6) (in each case, as modified by the Fourth Supplemental Indenture) shall have occurred and be continuing on the 91st day after such date; and

(7) the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that such defeasance will not cause the beneficial owners of the Notes to recognize income, gain or loss for Federal income tax purposes and such beneficial owners will be subject to Federal income tax on the same amounts, in the same manner and at the same time as if the defeasance had not occurred, which Opinion of Counsel, in the case of the legal defeasance option, must be based on a ruling from the Internal Revenue Service or a change in the applicable Federal income tax law.

Notwithstanding the foregoing, if the Company exercises its covenant defeasance option and an Event of Default under Section 5.01(5) or Section 5.01(6) (in each case, as modified by the Fourth Supplemental Indenture) or an event which with the giving of notice or lapse of time, or both, would become an Event of Default under Section 5.01(5) or Section 5.01(6) (in each case, as modified by the Fourth Supplemental Indenture) shall have occurred and be continuing on the 91st day after the date of such deposit, the obligations of the Company referred to under the definition of covenant defeasance option with respect to such Notes shall be reinstated in full."

ARTICLE 7

"Section 4.01. Satisfaction and Discharge of Indenture.

The Indenture, with respect to the Notes, shall upon Company Request, cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of the Notes expressly provided for in the Indenture and the right to receive payments of principal (and premium, if any) and interest on the Notes) and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of the Indenture, when

(1) either

(A) all Notes theretofore authenticated and delivered (other than (i) Notes which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Notes for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 12.04) have been delivered to the Trustee for cancellation; or

(B) all Notes not theretofore delivered to the Trustee for cancellation,

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity Date within one year, or

(iii) if redeemable at the option of the Company, are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice by the Trustee in the name, and at the expense, of the Company,

and the Company, in the case of (i), (ii) or (iii) of this subclause (B), has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust for such purpose an amount in the currency in which the Notes are denominated sufficient to pay and discharge the entire indebtedness on the Notes for principal (and premium, if any) and interest to the date of such deposit (in the case of Notes which have become due and payable) or to the Stated Maturity Date or Redemption Date, as the case may be; *provided, however*, in the event a petition for relief under the Federal bankruptcy laws, as now or hereafter constituted, or any other applicable Federal or State bankruptcy, insolvency or other similar law, is filed with respect to the Company within 91 days after the deposit and the Trustee is required to return the deposited money to the Company, the obligations of the Company under the Indenture with respect to the Notes shall not be deemed terminated or discharged;

(2) the Company has paid or caused to be paid all other sums payable under the Indenture in respect of the Notes; and

(3) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel each stating that all conditions precedent under the Indenture relating to the satisfaction and discharge of the Indenture with respect to the Notes have been complied with."

“Section 4.03. Satisfaction and Discharge Requiring Payment of Applicable Premium.

Notwithstanding Section 4.01 (as modified by the Fourth Supplemental Indenture), in connection with any discharge relating to any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of the Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption (and calculated as though the Redemption Date were the date of such notice of redemption), with any deficit as of the Redemption Date only required to be deposited with the Trustee on or prior to the Redemption Date.”

ARTICLE 8 ADDITIONAL NOTES

Any such Additional Notes will be consolidated with the Notes to form a single series of Debt Securities under the Indenture, *provided*, that any such Additional Notes that are not fungible with the Notes for U.S. Federal income tax purposes will have a separate CUSIP, ISIN and/or other identifying number, if applicable, than the Notes.

[Signature Page to Global Note]

This Note is one of a duly authorized series of Debt Securities of the Company (herein called the “**Note**” or the “**Notes**,” as the case may be), issued and to be issued in one or more series under an Indenture, dated as of September 15, 1995 (the “**Base Indenture**”), between the Company and Chemical Bank (as predecessor trustee to The Bank of New York Mellon Trust Company, N.A.), as heretofore supplemented and as supplemented by the Fourth Supplemental Indenture, dated as of August 3, 2017 (the “**Fourth Supplemental Indenture**” and, the Base Indenture as heretofore supplemented and as supplemented by the Fourth Supplemental Indenture, the “**Indenture**”), between the Company and The Bank of New York Mellon Trust Company, N.A., a national banking association, as trustee (the “**Trustee**”). Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Notes, and of the terms upon which the Notes are, and are to be authenticated and delivered.

The Notes will be redeemable in whole or in part, at the Company’s option, at any time and from time to time prior to May 15, 2027 (three months prior to the Stated Maturity Date) at a Redemption Price equal to the greater of (the “**Applicable Premium**”) (a) 100% of the principal amount of the Notes to be redeemed and (b) the sum of the present values of the remaining scheduled payments of principal and interest thereon (not including any portion of such payments of interest accrued as of the Redemption Date) discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below), plus 15 basis points, plus, in each case, accrued and unpaid interest thereon to, but excluding, the Redemption Date.

The Notes will be redeemable in whole or in part, at the Company’s option, at any time and from time to time on or after May 15, 2027 (three months prior to the Stated Maturity Date) at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest on the Notes to be redeemed to, but excluding, the Redemption Date.

Further, installments of interest on the Notes to be redeemed that are due and payable on Interest Payment Dates falling on or prior to a Redemption Date will be payable on the applicable Interest Payment Date to the Holders of the Notes as of the close of business on the relevant Regular Record Date according to such Notes and the Indenture.

Notice of any redemption will be mailed, or delivered electronically if held by DTC in accordance with DTC’s customary procedures, not less than 30 days and not more than 60 days prior to the Redemption Date to each Holder of Notes to be redeemed.

Unless the Company defaults in payment of the Redemption Price, from and after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption. If less than all of the Notes are to be redeemed, the Notes to be redeemed will be selected by the Trustee by a method that the Trustee deems to be fair and appropriate.

For purposes of the foregoing optional redemption provisions, the following terms are applicable:

“Comparable Treasury Issue” means the United States Treasury security selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the Notes to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Notes.

“Comparable Treasury Price” means, with respect to any Redemption Date, (a) the average of four Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest such Reference Treasury Dealer Quotations, (b) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all such Reference Treasury Dealer Quotations, or (c) if only one Reference Treasury Dealer Quotation is received, such Reference Treasury Dealer Quotation.

“Primary Treasury Dealer” means a primary U.S. Government securities dealer in New York City.

“Quotation Agent” means a Reference Treasury Dealer appointed by the Company.

“Reference Treasury Dealer” means (a) each of J.P. Morgan Securities LLC and Merrill Lynch, Pierce, Fenner & Smith Incorporated (or their respective affiliates that are Primary Treasury Dealers) and their respective successors; *provided*, that if any of the foregoing ceases to be a Primary Treasury Dealer, the Company will substitute therefor another Primary Treasury Dealer and (b) any other Primary Treasury Dealers selected by the Company.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Quotation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 5:00 p.m. (New York City time) on the third Business Day preceding such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semi-annual equivalent yield to actual or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

The Company shall execute, and the Trustee shall authenticate and deliver to the Holder of this Note without service charge, a new Note or Notes, of like tenor and form, of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of this Note so surrendered.

If a Change of Control Triggering Event occurs, unless the Company has exercised its option to redeem the Notes as described above or has defeased the Notes pursuant to Article Fifteen of the Base Indenture (as modified by the Fourth Supplemental Indenture), the Company will be required to make an offer (a **“Change of Control Offer”**) to each Holder of the Notes to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of that Holder’s Notes in the manner and on the terms set forth herein. In a Change of Control

Offer, the Company will be required to offer payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased to, but excluding, the repurchase date (a “**Change of Control Payment**”). Within 30 days following any Change of Control Triggering Event or, at the Company’s option, prior to any Change of Control, but after public announcement of the transaction that constitutes or may constitute the Change of Control, a notice will be mailed to the trustee and mailed, or delivered electronically if held by DTC in accordance with DTC’s customary procedures, to Holders of Notes, describing the transaction that constitutes or may constitute the Change of Control Triggering Event and offering to repurchase such Notes on the repurchase date specified in the applicable notice, which date will be no earlier than 30 days and no later than 60 days from the date on which such notice is mailed (or delivered electronically) to the Holders of Notes (a “**Change of Control Payment Date**”).

The notice will, if mailed (or delivered electronically) prior to the date of consummation of the Change of Control, state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the applicable Change of Control Payment Date specified in the notice.

On each Change of Control Payment Date, the Company will, to the extent lawful: (a) accept for payment all Notes or portions of Notes properly tendered pursuant to the applicable Change of Control Offer, (b) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered pursuant to the applicable Change of Control Offer, and (c) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers’ Certificate stating the aggregate principal amount of Notes or portions of Notes being repurchased.

The Company will not be required to make a Change of Control Offer upon the occurrence of a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company, and such third party purchases all Notes properly tendered and not withdrawn under its offer. In addition, the Company will not repurchase any Notes if there has occurred and is continuing on the Change of Control Payment Date an Event of Default under the Indenture, other than a default in the payment of the Change of Control Payment upon a Change of Control Triggering Event.

The Company will be required to comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder, to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Offer provisions of the Notes, the Company will comply with such securities laws and regulations and will not be deemed to have breached the Company’s obligations under the Change of Control Offer provisions of the Notes by virtue of any such conflict and compliance.

For purposes of the foregoing Change of Control Offer provisions, the following terms are applicable:

“Change of Control” means the occurrence of any of the following: (a) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or more series of related transactions, of all or substantially all of the Company’s assets and its subsidiaries’ assets, taken as a whole, to any person, other than the Company or one of its subsidiaries; *provided*, that none of the circumstances in this clause (a) will be a Change of Control if the persons that beneficially own the Company’s Voting Stock immediately prior to the transaction own, directly or indirectly, Voting Stock of the transferee person representing a majority of the voting power of the transferee person’s Voting Stock immediately after giving effect to the transaction; (b) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any person becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the Company’s outstanding Voting Stock, or other Voting Stock into which the Company’s Voting Stock is reclassified, consolidated, exchanged or changed, measured by voting power rather than number of shares; *provided, however*, that a person shall not be deemed a beneficial owner of, or to own beneficially, (i) any securities tendered pursuant to a tender or exchange offer made by or on behalf of such person or any of such person’s affiliates until such tendered securities are accepted for purchase or exchange thereunder or (ii) any securities if such beneficial ownership (A) arises solely as a result of a revocable proxy delivered in response to a proxy or consent solicitation made by the Company pursuant to the applicable rules and regulations under the Exchange Act and (B) is not also then reportable on Schedule 13D (or any successor schedule) under the Exchange Act; (c) the Company consolidates with, or merges with or into, any person, or any person consolidates with, or merges with or into, the Company, in any such event pursuant to a transaction in which any of the Company’s outstanding Voting Stock or the Voting Stock of such other person is converted into or exchanged for cash, securities or other property, other than any such transaction where the shares of the Company’s Voting Stock outstanding immediately prior to such transaction constitute, or are converted into or exchanged for, a majority of the Voting Stock of the surviving person or any direct or indirect parent company of the surviving person immediately after giving effect to such transaction, measured by voting power rather than number of shares; (d) the first day on which a majority of the members of the Company’s Board of Directors are not Continuing Directors; or (e) the adoption of a plan relating to the liquidation or dissolution of the Company. Notwithstanding the foregoing, a transaction will not be deemed to involve a Change of Control if (a) the Company becomes a direct or indirect wholly-owned subsidiary of a holding company and (b)(1) the direct or indirect holders of the Voting Stock of such holding company immediately following that transaction are substantially the same as the holders of the Company’s Voting Stock immediately prior to that transaction or (2) immediately following that transaction no person (other than a holding company satisfying the requirements of this sentence) is the beneficial owner, directly or indirectly, of more than 50% of the Voting Stock of such holding company. As used in this definition, the term **“person”** has the meaning given thereto in Section 13(d)(3) of the Exchange Act.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Rating Event.

“Continuing Directors” means, as of any date of determination, any member of the Company’s Board of Directors who (a) was a member of such Board of Directors on the date the Notes were issued or (b) was nominated for election, elected or appointed to such Board of

Directors with the approval of a majority of the Continuing Directors who were members of such Board of Directors at the time of such nomination, election or appointment (either by a specific vote or by approval of the Company's proxy statement in which such member was named as a nominee for election as a director, without objection to such nomination).

"Investment Grade" means a rating equal to or higher than Baa3 (or the equivalent) by Moody's and BBB- (or the equivalent) by S&P, and the equivalent Investment Grade credit rating from any replacement Rating Agency or Rating Agencies selected by the Company.

"Moody's" means Moody's Investors Service, Inc., and its successors.

"Rating Agencies" means (a) each of Moody's and S&P; and (b) if any of Moody's or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company's control, a "nationally recognized statistical rating organization" as defined under Section 3(a) (62) of the Exchange Act selected by the Company (as certified by a Board Resolution) as a replacement agency for Moody's or S&P, or both of them, as the case may be.

"Rating Event" means the rating on the Notes is lowered by both Rating Agencies and the Notes are rated below Investment Grade by both Rating Agencies, in any case on any day during the period (which period will be extended so long as the rating of the Notes is under publicly announced consideration for a possible downgrade by either of the Rating Agencies) commencing upon the earlier of (i) the first public notice of the occurrence of a Change of Control or (ii) the first public notice of the Company's intention to effect a Change of Control, and ending 60 days following the consummation of the Change of Control. However, a Rating Event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect of a particular Change of Control (and thus shall not be deemed a Change of Control Triggering Event for purposes of the definition of Change of Control Triggering Event) if the Rating Agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform a Responsible Officer of the Trustee in writing at the Company's request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control.

"S&P" means Standard & Poor's Rating Services, a division of McGraw-Hill Financial, Inc., and its successors.

"Voting Stock" means, with respect to any specified "person" (as that term is used in Section 13(d)(3) of the Exchange Act) as of any date, the capital stock or other equity interests of such person that is at the time entitled to vote generally in the election of the Board of Directors of such person.

The Notes will not have the benefit of any sinking fund.

Articles 4 and 15 of the Base Indenture (in each case, as modified by the Fourth Supplemental Indenture) will apply to the Notes.

If an Event of Default with respect to the Notes occurs and is continuing, the principal of the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

As provided in the Indenture and subject to certain limitations set forth therein, the transfer of the Notes is registrable in the Security Register. If this Note is presented or surrendered for registration of transfer or exchange, it shall (if so required by the Company and the Trustee) be duly endorsed, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Trustee, duly executed, by the Holder hereof or his attorney duly authorized in writing.

The Notes will be issued in Dollars and only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

No service charge will be payable by the Holder for any registration of transfer or exchange of this Note except as provided in Section 3.04(b) or 3.06 of the Indenture. The Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of this Note, other than those expressly provided in the Indenture to be made at the Company's own expense or without expense or without charge to the Holders.

The Company will make principal and interest payments on the Notes represented by this Note to the Paying Agent which in turn will make payment to DTC or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Notes represented by this Note for all purposes under the Indenture. So long as DTC or its nominee is the registered owner of this Note, DTC or its nominee, as the case may be, will be considered the sole owner and Holder of the Notes represented by this Note for all purposes of the Notes.

All capitalized terms used, but not defined, in this Note shall have the meanings assigned to them in the Indenture.

Re: Current Report on Form 8-K of Hubbell Incorporated filed on August 3, 2017

Ladies and Gentlemen:

We have acted as special counsel to Hubbell Incorporated, a Connecticut corporation (the “Company”), in connection with the issuance and sale by the Company of \$300,000,000 aggregate principal amount of its 3.150% senior notes due 2027 (the “Notes”). The Notes were sold pursuant to an Underwriting Agreement, dated July 31, 2017, between the Company and J.P. Morgan Securities LLC and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several underwriters listed in Schedule I thereto. The Notes were issued pursuant to the Prospectus Supplement, dated July 31, 2017 (the “Prospectus Supplement”) and filed with the U.S. Securities and Exchange Commission (the “SEC”) on July 31, 2017, and the Prospectus, dated February 16, 2016, that forms a part of the Company’s registration statement on Form S-3 (File No. 333-209532), filed with the SEC on February 16, 2016 (the “Registration Statement”) and which automatically became effective under the Securities Act of 1933, as amended (including the rules and regulations thereunder, the “Act”), upon filing pursuant to Rule 462(e) promulgated thereunder. The Notes were issued under the Indenture, dated as of September 15, 1995 (the “Base Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A. (successor as trustee to JPMorgan Chase Bank, N.A. (formerly known as JPMorgan Chase Bank, formerly known as The Chase Manhattan Bank, formerly known as Chemical Bank))), as trustee (the “Trustee”), as supplemented by the Fourth Supplemental Indenture, dated as of August 3, 2017 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and the Trustee. The Supplemental Indenture and the form of Notes are filed as exhibits to the Company’s Current Report on Form 8-K dated the date hereof.

In rendering this opinion, we have examined and relied on such corporate records and other documents, and we have reviewed such matters of law, as we have deemed necessary or appropriate. In rendering this opinion, we have, with your consent, relied upon oral and written representations of officers of the Company and certificates of officers of the Company and public officials with respect to the accuracy of the factual matters addressed in such representations and certificates. In addition, in rendering this opinion we have, with your consent, assumed (a) the authenticity of original documents and the genuineness of all signatures, (b) the conformity to the originals of all documents submitted to us as copies, (c) each natural person signing any document reviewed by us had the legal capacity to do so, (d) each person signing in a representative capacity any document reviewed by us had authority to sign in

such capacity, (e) the truth, accuracy and completeness of the information, representations and warranties contained in the records, documents, instruments and certificates we have reviewed, (f) all Notes will be issued and sold in compliance with applicable federal and state securities laws, including applicable provisions of “blue sky” laws, and in the manner stated in the Registration Statement and the Prospectus Supplement and (g) the organizational documents of the Company, each as amended to the date hereof, will not have been amended from the date hereof in a manner that would affect the validity of the opinion rendered herein. We have also, with your consent, assumed that the execution, delivery and performance of the Indenture, the Notes and the Underwriting Agreement (collectively, the “Transaction Documents”) will not (i) violate, conflict with or result in a breach of, or require any consent under, the charters, bylaws or equivalent organizational documents of any party to such documents or the laws of the jurisdictions of organization or other applicable laws with respect to such parties, (ii) violate any requirement or restriction imposed by any order, writ, judgment, injunction, decree, determination or award of any court or governmental body having jurisdiction over any party to such documents or any of their respective assets or (iii) constitute a breach or violation of any agreement or instrument that is binding on any party to the Transaction Documents. We have also, with your consent, assumed that each party to the Transaction Documents (in the case of parties that are not natural persons) has been duly organized and is validly existing and in good standing under its jurisdiction of organization, that each such party has the legal capacity, power and authority (corporate or otherwise) to enter into, deliver and perform its obligations thereunder and that each of the Transaction Documents (other than, with respect to the Company, the Notes) constitutes the valid and binding obligation of all such parties, enforceable against them in accordance with its terms. As to any facts material to the opinions expressed herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and others.

Based on the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that the Notes, when authenticated by the Trustee in the manner provided in the Indenture and issued and delivered against payment of the purchase price therefor, will be valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

The opinion set forth above is subject to the effects of (a) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other similar laws relating to or affecting the enforcement of creditors’ rights generally, (b) general equitable principles (whether considered in a proceeding in equity or at law), (c) an implied covenant of good faith and fair dealing, (d) provisions of law that require that a judgment for money damages rendered by a court in the United States be expressed only in United States dollars, (e) limitations by any governmental authority that limit, delay or prohibit the making of payments outside the United States and (f) generally applicable laws that (i) provide for the enforcement of oral waivers or modifications where a material change of position in reliance thereon has occurred or provide that a course of performance may operate as a waiver, (ii) limit the availability of a remedy under certain circumstances where another remedy has been elected, (iii) limit the enforceability of provisions releasing, exculpating or exempting a party from, or requiring indemnification or contribution of a party for, liability for its own action or inaction, to the extent the action or inaction involves negligence, gross negligence, recklessness, willful misconduct or unlawful conduct, (iv) may, where less than all of a contract may be unenforceable, limit the enforceability

of the balance of the contract to circumstances in which the unenforceable portion is not an essential part of the agreed exchange, (v) may limit the enforceability of provisions providing for compounded interest, imposing increased interest rates or late payment charges upon delinquency in payment or default or providing for liquidated damages or for premiums or penalties upon acceleration or (vi) limit the waiver of rights under usury laws. We express no opinion as to whether, or the extent to which, the laws of any particular jurisdiction apply to the subject matter hereof, including, without limitation, the enforceability of the governing law provision contained in the Notes or the Indenture. Furthermore, the manner in which any particular issue relating to the opinions would be treated in any actual court case would depend in part on facts and circumstances particular to the case and would also depend on how the court involved chose to exercise the wide discretionary authority generally available to it. We express no opinion as to the effect of Section 210(p) of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

This letter is given on the basis of the law and the facts existing as of the date hereof. We assume no obligation to advise you of changes in matters of fact or law which may thereafter occur. Our opinion is based on statutory laws and judicial decisions that are in effect on the date hereof, and we do not opine with respect to any law, regulation, rule or governmental policy which may be enacted or adopted after the date hereof.

We are members of the bar of the State of New York, and we have not considered, and we express no opinion as to, the laws of any jurisdiction other than the laws of the State of New York as in effect on the date hereof (the “Relevant Laws”). Without limiting the generality of the foregoing definition of Relevant Laws, the term “Relevant Laws” does not include any law, rule or regulation that is applicable to the Company or the Transaction Documents or such transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to any of the Transaction Documents or any of its affiliates due to the specific assets or business of such party or such affiliate.

Insofar as the opinion expressed herein relates to or is dependent upon matters governed by the laws of the State of Connecticut, we have relied upon the opinion letter, dated the date hereof, of Shipman & Goodwin LLP, which opinion letter is being filed as Exhibit 5.2 to the Company’s Current Report on Form 8-K.

We hereby consent to the filing of copies of this opinion as an exhibit to the Company’s Current Report on Form 8-K, and to the references therein to us. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

Re: Registration Statement on Form S-3 of Hubbell Incorporated
Commission File No. 333-209532, \$300,000,000 in Aggregate
Principal Amount of 3.150% Senior Notes due 2027

Ladies and Gentlemen:

We have acted as Connecticut counsel to Hubbell Incorporated, a Connecticut corporation (the "Company"), in connection with the issuance and sale by the Company of \$300,000,000 in aggregate principal amount of its 3.150% Senior Notes due 2027 (the "Notes") pursuant to a Registration Statement on Form S-3 under the Securities Act of 1933, as amended (including the rules and regulations promulgated thereunder, the "Act"), filed with the U.S. Securities and Exchange Commission (the "SEC") on February 16, 2016 (File No. 333-209532) (as so filed and amended, the "Registration Statement"), a Prospectus, dated February 16, 2016, included as part of the Registration Statement at the time it originally became effective (the "Base Prospectus"), a preliminary Prospectus Supplement, dated July 31, 2017, filed with the SEC describing the Notes offered thereby (together with the Base Prospectus and a related pricing term sheet filed with the SEC as a free writing prospectus, the "Preliminary Prospectus") and a final Prospectus Supplement, dated July 31, 2017, filed with the SEC (together with the Base Prospectus, the "Prospectus").

This opinion is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Act, and no opinion is expressed herein as to any matter pertaining to the contents of the Registration Statement, the Preliminary Prospectus or the Prospectus, other than as expressly stated herein with respect to the issuance of the Notes.

In connection with this opinion letter, we have reviewed the Registration Statement, the Preliminary Prospectus, the Prospectus, the Indenture, dated as of September 15, 1995, by and between the Company and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A. (successor as trustee to JPMorgan Chase Bank, N.A. (formerly known as JPMorgan Chase Bank, formerly known as The Chase Manhattan Bank, formerly known as Chemical Bank))), as trustee (the "Base Indenture"), as supplemented by the Fourth Supplemental Indenture, dated as of August 3, 2017 (together with the Base Indenture, the "Indenture"), a copy of the Global Note representing the Notes, the

Underwriting Agreement, dated July 31, 2017, among the Company and J.P. Morgan Securities LLC and Merrill Lynch, Pierce, Fenner & Smith Incorporated, as representatives of the several underwriters listed on Schedule I thereto (the “Underwriting Agreement”), the Company’s Amended and Restated Certificate of Incorporation, the Company’s Amended and Restated By-Laws, the resolutions adopted by the Board of Directors relating to the Registration Statement, including the offering and sale of the Notes contemplated thereby, and the written authorization of the officer or officers designated in such resolutions to act on behalf of the Company in determining the terms of the Notes within the limitations set forth in such resolutions; and we have examined and relied upon originals, or copies, certified or otherwise identified to our satisfaction, of such records of the Company, certificates of public officials and such other documents and instruments, and have made such other examinations, as we have deemed necessary or appropriate to enable us to render the opinion set forth herein. As to certain questions of fact material to our opinion, we have relied, with your consent, upon statements in the Registration Statement, the Preliminary Prospectus, the Prospectus, the Underwriting Agreement, the Indenture, certificates of public officials and certificates and statements of officers of the Company and have made no independent investigation of such matters. We have assumed, with your consent, that any certificates of government officials dated prior to the date hereof are still effective and accurate as of the date of this opinion letter.

In rendering the opinion expressed herein, we have assumed, with your consent, (a) the genuineness of all signatures, (b) the authenticity of all documents submitted to us as originals, (c) the conformity to original documents of all documents submitted to us as copies, (d) the authenticity of the originals of such latter documents, (e) the legal competence of all signatories to such documents, (f) each person signing in a representative capacity any document reviewed by us had authority to sign in such capacity, and (g) the truth, accuracy and completeness of the representations and warranties, statements and other information contained in the records, documents, instruments and certificates we have reviewed.

In addition, we have assumed, with your consent, that the Base Indenture has been duly executed and delivered by, and is the valid, binding and enforceable obligation of, the parties thereto, is in full force and effect and has not been amended or modified in a manner that would affect the opinion set forth herein.

The opinion expressed herein is limited to the laws of the State of Connecticut. We express no opinion herein as to the laws of any other state or of the United States and express no opinion as to any federal or state securities or “blue sky” laws or regulations, including without limitation, the Trust Indenture Act of 1939, as amended. We express no opinion as to any state or federal laws or regulations applicable to the subject transactions because of the legal or regulatory status of the Company or any other parties to the documents referenced herein.
